To Whom It May Concern:

I am the Community Marketing Director at The Arbors. Brad helped a resident at my previous community when another moving company dropped the ball. He and his staff did a great job and I have referred him to family members for the last year and one half. All the feedback that I have received has been very positive.

His staff members know the lay out of the community, are courteous with residents and take great care of their belongings. Brad is great at following up with me too. I would use coastal Movers for my own family!

Sincerely,

Pamela Fullerton
